I am assuming my presence is not needed on June 23? It's not on my calendar

Hello Ray,

I hope you are doing well.

Mayor Strickland and I have a meeting with key business leaders at noon on Friday, June 23. If possible, they would like for us to address your final report. Is there a chance we can have it within the next week or so ?

I've been reading with interest about the increasing gang problem in New York City.
